REPORT OF THE SCHOOL BOARD FOR THE YEAR ENDING JUNE 30, 1929

Several features of the year just closed we would like to comment on.

For some time we have believed that it would be for the best interests of the children to employ an additional full time teacher in the lower grades in the main schoolhouse. So, with the advice and consent of Supt. Holden we made provisions for such a teacher and engaged Miss Alice Cuddihy for grades 3 and 4, giving Miss Bernice Buxton grades 1 and 2 and Miss Charlotte Balch grades 5 and 6. Mrs. Esther Colby continued with grades 7 and 8. Grades 5 and 6 were assigned to the old 9th grade room recently used as a High School recitation room. This made it necessary to find another room for the use of the High School and the room downstairs formerly used by Mechanic Arts classes was fitted up for the High School at an expense of about $200.00.

After one year's observation our opinion is that the results have justified the additional expense.

Convinced that the cost of heating the High School building could be reduced, after careful consideration we

determined to burn buckwheat coal under forced draft. The price of the apparatus was $275.00 which was saved the first year in the cost of the fuel, as we paid $10.75 per ton as compared with $16.00 or $16.50 for egg size. Undoubtedly next year we can buy buckwheat coal for even less money. In addition to low price of fuel the building was heated better and was warm early in the morning.

Some necessary repairs were made. The room of the North Branch school house was reshingled at a cost of $107.00. The flagpole at the Center school house was replaced with a suitable one set up on the ground in front of the building. In the High School building the old system of return pipes in the basement was torn out and a new one installed and some minor repairs made to the heating plant. This job cost us $145.00.

A word about State Aid. Any district that raises more than $5.00 per $1,000.00 of its equalized valuation for the support of elementary schools may apply for State Aid. The schools in such district must also be approved by the State Commissioner of Education with respect to teachers, buildings, equipment, etc. In other words the schools must conform to certain standards set up by the State. When a district applies for State Aid the State supervises its expenditures and the school board must comply with certain regulations. Nevertheless, if considerable State Aid can be obtained, it seems to us to be incumbent on the school board to meet the State's requirements. We are now a State Aided district, having received this last year $273.00. Our allotment for December, 1929, is $903.00.

The cost of our schools has increased sharply in the last ten years but it is difficult to see how it can be avoided if we are going to maintain them at a standard that we deem necessary for the best interests of the district.

Altogether we believe that our schools compare favorably with similar schools throughout the state.

We urge the voters to read the superintendent's report.

Respectfully submitted,

ROSS H. ROBERTS,
BYRON G. BUTTERFIELD,
ALICE G. NYLANDER,
School Board of Antrim.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of the School District of Antrim, N. H., the Superintendent of Schools hereby respectfully submits his report for the school year 1928-1929:

There were but few changes in our teaching force this year. Miss Barbara Hatch succeeded Mrs. Putnam as Supervisor of Music. She is a graduate of the Keene Normal School Music Course, and acted as a cadet in one of the districts of this Union last year. Miss Beulah Todd, a graduate of Brown University, with one year'ssuccessful teaching experience, succeeded Miss Elizabeth Alden as a High School teacher, and Miss Jeannette R. White, a Keene graduate without experience, followed Miss Isabel Kidston at the East school. Miss Olive Lynch was transferred from the Center to the North Branch School, and Mrs. Jessie Black, who has taught for us for five years at various times, went to the Center school.

Seven of our teachers hold the highest form of State certification, which is an increase of one over last year. Following is a report of teachers employed, of which a copy is sent to the State Department of Education, each year:

School	Teacher's Name	Salary	Years Exp.	Education	Approval
Gr. 5-6	Charlotte Balch	$900	35	Lowell Training	C
Center	Jessie Black	950	6	Keene Normal	C
Gr. 1-2	Bernice Buxton	850	13	Plymouth Normal	C
High	Thomas C. Chaffee	2,100	25	Brown	C
Gr. 7-8	Esther Colby	950	19	Plymouth Normal	C
Gr. 3-4	Alice Cuddihy	900	24	Keene Normal	C
Music	Barbara Hatch*	350	0	Keene Normal	L
High	Alice Hunnewell	1,150	1	Keene Normal	L
No. Branch	Olive Lynch	850	1	Keene Normal	C
Drawing	Edith Messer*	220	35	Lawrence Training	L
High	Beulah Todd	1,200	1	Brown	L
East	Jeannette White	900	0	Keene Normal	L

The teachers whose names are followed by an * are part time teachers, which accounts for the apparently small salary.

The total salary last year was $10,430 and this year it is $11,320, the increase being due in a great measure to the fact that we have one more teacher in the grade school at the village, in that way giving each teacher two grades each. Miss Alice Cuddihy was elected to this new position, coming back to us after teaching for a year or two in another school district. We were glad to welcome her return to us.

Last year we had three inexperienced teachers, and this year there are only two, Miss Hatch and Miss White, who were without experience except that gained while they were Normal studens.

Data from teachers' registers show that the total enrollment was 227, with an average membership of 208 and an average attendance of 197 divided as follows:

	Enrollment						
	Boys	Girls	Total	Average Membership	Average Attendance	Percent of Attendance	Tardiness
East	5	3	8	8	7.7	95.8	4
North	18	12	30	20	18.7	91.6	8
Center	10	6	16	16	14.0	89.4	42
High	23	26	49	47	43.9	94.0	42
Gr. 7-8	23	11	34	32	30.7	94.9	24
Gr. 5-6	11	11	22	21	20.7	97.4	6
Gr. 3-4	14	15	29	27	25.6	94.6	3
Gr. 1-2	18	21	39	37	35.7	94.1	9
Totals	122	105	227	208	197	94.0	138

The enrollment increased 15 over last year's, and 17 over that of 11 years ago. Although our enrollment is only 17 more than 11 years ago, our average membership is 33 greater and our average attendance 34 greater. Our pupils attend school more regularly than formerly, but the greatest improvement is seen in the matter of tardiness. There were 138 cases of tardiness this year, 177 last year and 386 eleven years ago. There has been constant improvement along this line, and there is room for still greater improvement. To show that improvement is possible I will state that in one school in this Union there has been no case of tardiness in the past two years.

The enrollment by grades has been:

Grade	Pupils	Grade	Pupils
1	35	7	25
2	25	8	17
3	22	9	12
4	16	10	14
5	17	11	6
6	21	12	17

The Roll of Honor contains 22 names, compared with 12 on the record eleven years ago. The names on the Roll of Honor are given below:

Lillian Armstrong, Herbert Bryer, Gertrude Clark, Oscar Clark, Ruth Dunlap, Marta Dziengowski, Ruth Felker.

Frederick Hardwick, Robert Hawkins, Herman Hill, Elizabeth Hollis, Edith Linton, Neal Mallett, Ida Maxfield, Catherine McClure.

Marion McClure, Edward Moul, Marion Nylander, Robert Nylander, Dorothy O'Brien, Frances Tibbals, Arlene Whitney.

Two hundred six visits were made by parents and friends compared with 254 eleven years ago. The school board members made 21 visits and the Superintendent made 307. Eleven years ago the visits of the Superintendent and the School Board members were not recorded separately, but together their visits totaled 264.

Standard Tests, which have been fully explained in former reports, were given in the High school, by Headmaster Mr. T. C. Chaffee, by which it was found that the Intelligence Quotient of the whole school was slightly above the average, being 103. For the grades it was 99 for grade 9; 103 for grade 10; 96 for grade 11; and 106 for the senior class. A rather interesting fact is that of the 46 pupils tested, 23 were boys and 23 were girls, and the Intelligence Quotient was 103, the same for both sexes.

The D. A. R. History prizes were won by Miss Margaret Felker and Frank Dziengowski. The S. A. R. medal, given for the evidence of the qualities of good citizenship, and not for scholastic standing, was won by Herbert Bryer.

An interesting evening of Prize Speaking took place on Friday, May 3, 1929, between representatives of the Freshman and Sophomore classes. The first prize for girls was won by Miss Marion Nylander, speaking "The Little Rebel", and the second prize went to Miss Ruth Dunlap speaking "Aunt Polly's George Washington". The first prize for boys was won by Benjamin Butterfield speaking ""Sam's Letter", and the second prize went to Robert Hawkins speaking "Counting Eggs."

The High School Graduation Exercises took place in the Town Hall at 8 P. M., June 20th, with the following program:

The courses in our schools have been the same as in the previous year, and the work of the teachers has been appreciated.

Respectfully submitted,

A. A. HOLDEN
